

Become Agents

Kejiepcb is expanding its network quickly. Great opportunity for someone like you who is determined to develop more business in this field.

Are you involved in PCB business?

Have you previously worked in this field and have contacts that might need PCB?

Earn cash by becoming our agent.

You can grant a fixed % commissions on the cost of the boards, paid on regular basis directly to your bank account. You are the master of yourself, you deal with your clients, you discuss with them.

Let us do the job to produce the boards and ship them.

Easy.

How to get started.

1. sign up on our website. Register yourself here
2. collect orders from your clients
3. Send us technical files (Gerbers)

that's it, we will be producing the PCB and when ready, ship them.

Each 10th of the month a bank wire transfer will be made to your appointed account for the commissions you earned.

We look forward to seeing you joining our team of experts agents in your country
